inside this jar is my magical

& WITCHES BREW

made with cob webs and spiders just for you.

2-3 lablespoons per 8 ounces of hol water or milk is all you will need, because the frog leg and cat eyes have already been added, you see!

then, use my cinnamon broom to stir the witches brew, alakazaam, alakawee, booooooool

you may drink this and your face will turn green ... but don't worry it will make for a happy halloween!
